

上海科技大学（有意思的）决策优化实验室
招聘全职及兼职研究助理

Title: Fulltime (or Part-time) Research Assistant

Report to: Professors Yu Yang and Haotian Zhou
interesting Decision Optimization Laboratory (iDOL)
ShanghaiTech University

Location: 393 Middle Huaxia Road, Pudong, Shanghai, 201210, China
(Shanghai Metro Line 13 Zhongke Road Station)

Job Responsibilities:

- * Assist interesting research projects;
- * Assist teaching material development for interesting courses.

Job Requirements:

- * Bachelor's or Master's degree in psychology, business, management, statistics, and so on;
- * Interest in pursuing advanced degree in psychology, business, management, or not;
- * Experience in writing papers, reports, or presentations in English;
- * Familiarity with experimental methods and multivariate and multilevel statistics;
- * Familiarity with SPSS, STATA, SAS, Mplus, and/or R;
- * Ability to support professors in teaching and administration duties;
- * Mature, responsible, organized, detail-oriented, able to multi-task and work independently.

Salary starts from RMB70,000 annually for fulltime RAs with Bachelor's degree and from RMB90,000 for RAs with Master's degree. Salary for part-time RAs is commensurate with experience and commitment. This position, fulltime or part-time, would be an excellent fit for someone looking to strengthen research skills before applying to PhD programs or other graduate programs. Past RAs of the Lab have been admitted to top international PhD programs. Interested applicants should email a copy of resume plus writing samples, if available, to Professor Yu Yang (yangyu@shanghaitech.edu.cn) and/or Professor Haotian Zhou (zhouht@shanghaitech.edu.cn). Short-listed candidates will be invited for interview.
